United States District Judge

The Court finds that the guilty plea and sentencing hearing to be held today cannot be further delayed without serious harm to the interests of justice, for the following reasons:

- (1) the defendant faces an advisory sentencing range of 1-7 months' imprisonment, and will be requesting a sentence of time served.
- (2) The United States agrees that a sentence of time served is appropriate under the circumstances of this case.
- (3) Further delay in sentencing likely would result in a sentence above the applicable guidelines range, which the parties agree is not warranted under the circumstances of this case.
